

E R R A T A

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CORRECTION TO ALL COUNTY LETTER NO. 91-58

REFERENCE: ACL 91-58 Dated July 2, 1991

This Errata is to make a correction to ACL 91-58, Attachment 1 regarding changes to the AFDC Homeless Assistance (HA) regulations.

Attachment 1, page 1, item #3 references MPP Section 44-211.514. The paragraph states that it should not be applied to cases which received HA prior to August 1, 1991. This is incorrect. Effective August 1, 1991, HA is available only once in a 24 month period. Therefore, if a case experienced an incident of homelessness during the past 12 months, there is no eligibility to HA again until 24 months after the previous incident even though the previous incident occurred during the past year. For example, an AU received temporary shelter (TS) payments beginning on December 10, 1990 and received a permanent housing (PH) payment on December 28, 1990. The AU would not be eligible again to any HA until December 10, 1992.
